Subject: Invitation to tour Dutra Museum of Dredging
Date: Tuesday, January 18, 2011 2:09:00 PM

Dear Ms. Macaulay,

We are Co-Directors of the Dutra Museum of Dredging in Rio Vista that was established by my late stepfather Edward Dutra and mother Deolinda Dutra. We saw your information for the Bay Area Scoping Meeting in Concord in the San Francisco Chronicle, but we are not able to attend.

We'd like to cordially invite you and your group to tour the Dutra Museum of Dredging at your convenience to see our collection of dredge models, maps, old photos, documents, linen drawings and ledgers relating to the history of reclamation in the Delta and Northern California. Members of the extended Dutra family have been dredging in this area from 1878 to the present time.

I am happy to mail brochures about the Museum to you for your review.

Sincerely,
Janet Bennett and Patty Dutra Bruce
